It gives me great Pleasure to give back something to my institute in the form of vote of thanks for making me to establish myself in the corporate world with ease. It would not have been possible without the support which I got from the Placement Cell and the faculty of the institute, my fellow colleagues, ever inspiring management team and my parents. The high level of education and practical training imparted throughout the course to handle management challenges and situations helped me not only to get the best knowledge but also the best campus placement in good organization.
